PROFILE

Hi, I'm Nischal Bista, a Frontend Developer at Kutumba Pvt. Ltd., with expertise in React, Node.js, and building robust web systems. I'm a final-year BCA student at HSM College, passionate about crafting efficient solutions. I thrive on collaboration, problem-solving, and learning new technologies to create impactful software.

WORK EXPERIENCE

- Kutumba Pvt. Ltd.** 2024 - PRESENT
Frontend Developer
 - Developing and implementing robust frontend solutions using React, HTML5, CSS3, and TailwindCSS, contributing to dynamic web applications.
 - Working collaboratively with cross-functional teams to meet project requirements and deadlines.
- Kutumba Pvt. Ltd.** 2023 - 2024
Frontend Developer Intern
 - Assisted in the development of frontend features for internal tools and client projects.
 - Gained hands-on experience with web development technologies and learned the importance of responsive design and user-centered development.
